(If in English and/or Māori, must not exceed 150 words in each language and content must be substantially consistent in each language.) Candidate profile statements will be printed in plain text, without formatting, and sent to each elector with their voting document. The candidate profile statement must be confined to information concerning the candidate and the candidate's policies and intentions if elected to office. For further information on the candidate profile statement, see over.						

Notes on a candidate profile statement (CPS)

Legislative references (section) refer to the Local Electoral Act 2001.

Legislative references (regulation) refer to the Local Electoral Regulations 2001.

Right to submit a candidate profile statement

Every candidate may submit a CPS with their nomination (section 61).

This is a permissive right - it is not mandatory to submit a CPS.

The content of a candidate profile statement

Under section 61(2)(c) must be confined to information:

- concerning the candidate (including any affiliation made in the nomination paper or status as an independent), and may include the candidate's contact details;
- on the candidate's policies and intentions if elected;
- a CPS cannot be used to comment on the policies, performance etc, of any other candidate.

Use of languages in a candidate profile statement

Under section 61(2)(a) and (3) and regulation 27, a CPS:

- if in English and/or Māori, must not exceed 150 words in each
 of the languages used in the CPS. The information contained
 in each language must be substantially consistent with the
 information contained in the other language;
- in any other language or combination of languages, must not exceed 150 words or their equivalent if symbols are used rather than words. Where a CPS is in a language other than English or Māori, then the candidate must provide a translation of the CPS in English for verification of content. This translation is not published with the CPS. Should all or part of a candidate profile statement be provided in a language other than English or Māori, it is required that this be provided in an electronic graphic file;
- all translations must be supplied as a single image. If there is more than one language translated, then these are to be all supplied together in a single image;
- the image to be supplied as a file with the following criteria:
 - PNG format
 - black and white
 - 600 dpi
 - maximum file size 400kB
 - the image being 1300 pixels high and 2000 pixels wide.

When the candidate profile statement must be submitted

Under section 61(2)(b):

 if submitting a CPS, it must be provided to the electoral officer with the nomination paper and nomination deposit.

Photograph

Under section 61(2)(e) and regulation 28:

- a CPS may include a recent photograph of the candidate alone which:
 - must be passport-size (approximately 50mm by 40mm);
 and
 - has been taken within 12 months of the candidate's date of nomination;
- photographs should be: (i) a hard copy original; (ii) in the size stated (not electronic or home printed); (iii) in colour (optional); and (iv) inserted in the plastic sleeve attached to the CPS sheet.
- if a photograph is not provided, this will be stated on the CPS sheet.

Duties, powers and responsibilities of electoral officers in respect of candidate profile statements:

- where an electoral officer is not satisfied that a CPS complies with section 61(2) and (3), he/she must return the CPS to the candidate specifying:
 - the concerns and reasons for them;
 - the period, which must be not less than 3 days from the date of the CPS's return, within which an amended CPS may be resubmitted;
- a candidate will be treated as having failed to provide a CPS if under section 64(4) he or she:
 - fails to submit an amended CPS within the period specified by the electoral officer;
 - submits an amended CPS, which in the electoral officer's opinion, still fails to comply with section 61(2) and (3);
- it is important to note that under section 61(6) the electoral officer:
 - is not required to verify or investigate any information in a CPS;
 - may include in or with any CPS a disclaimer concerning the accuracy of the information in the CPS;
 - is not liable in relation to:
 - any statement in or omitted from a CPS; or
 - the work of a prudently selected translator; or
 - the exercise of the powers and functions conferred on an electoral officer under this section.

Distribution of candidate profile statements

Under section 62 and regulation 29:

- the candidate profile statements (that comply with section 61)
 will be published in a candidate profile booklet and sent to each
 elector with the voting document. In addition, a local authority
 may display CPS's at its offices, or service centres, and on its
 website in any appropriate manner;
- not to comply with section 62 will not invalidate the election.
